

On September 11, 2011 **Victory Bible Fellowship** held their first ever Baptism service outdoors at the Water Valley South lakes in Windsor , CO . It was a beautiful, calm, 80 degree Sunday evening when 20 members of our congregation gave their public testimony as children of God and proclaimed the Lord Jesus Christ as their personal Savior. Believers from 92 to 10 years old participated and the Lord blessed our obedience to confess with our lips and be baptized in the Name of the Father, Son and Holy Spirit. Pastor Dave Price led the service with church board member Steve Betros assisting we baptized couples, individuals and a family of five all praising His Name and going under for the Lord.

All Praise, Honor and Glory to Our Heavenly father! Amen and Amen!
